

*HLLV High School
Silver Cord Service Program
Log of Volunteer Hours*

If you are volunteering multiple times at the same location, please complete this form and attach it to the Verification of Service Form.

This form may be used for students who volunteer routinely (once a week, twice a month, etc.) at the same place. You may record all of the hours you volunteer at that place on this sheet and staple it to the "Verification of Service Form" when you turn it in (only once per semester or year). All forms must be complete and have the supervisor's signature to be counted.

Examples: If you volunteer once a month at Rose Haven, complete this form each time you volunteer, attach it to the "Verification of Service Form" and submit it by the first Friday in May. If you volunteer just one time (ie - helping at RAGBRAI), you only need to complete the "Verification of Service Form."

Student Name _____ Graduation Year: _____
