

HLV COMMUNITY SCHOOL

As of _____, your family lunch account balance is \$ _____,

Please send payment immediately with your child or pay online.

HLV Community School District policy for the family lunch account is as follows:

“Family members will be allowed a \$15.00 maximum charging limit. When the charging limit is met students will be notified in the line that they will be unable to eat by charging to the family account. They may, however, pay cash to eat.” Automatic email notifications go out daily if you have a low balance and if we are provided with your email address. Also elementary students are sent home low balance notices in their Wednesday envelopes and students in 6-12 receive daily receipts if their balance is low at the end of the serving line

If your family receives free meals, your child(ren) can continue to purchase full meals but will not be allowed to purchase any extras until the account has a positive balance. If you pay full price or reduced price for meals, your child(ren) will not be allowed to charge anything to the family account until it has a positive balance. The family may send cash on a daily basis or bring a sack lunch until the account is paid in full.

Elementary students receive milk or juice in the classroom as an extra at a cost of \$.35 per carton; this includes all free, reduced, and full paying students. If your family receives free meals you will need to keep money in the family lunch account for this. We will continue the practice of NO MILK/JUICE in the classrooms if you have a ZERO balance.

The following are a cost of a daily purchase: Breakfast \$1.95, Lunch \$2.75/\$2.80. Adult price is \$3.80. Reduced Breakfast \$.30, Reduced Lunch \$.40, Milk/Juice \$.35, Ala Carte are \$.25 to \$2.00.

You may check your account balance or pay online by going to www.hlv.k12.ia.us. Under Food Service click on Lunch Account. You will need your account number and password. If you don't know these contact Cathy Verdeck at cverdeck@hlv.k12.ia.us or call 319-647-2161 ext. 105.
