THANK YOU, THANK YOU- A big thank you to all the high school and junior high workers that helped out at the youth basketball day on Sunday. We could not have pulled it off without you! High school workers should see Mrs. Weisskopf or Carol this week to get your silver cord sheets signed. A big thank you also goes out to our adult helpers for helping referee. Carol would like to especially like to thank Stacia Weisskopf and Coach Jay Malloy for helping out to organize this event this year. Last but not least, hats off to the coaches for spending countless hours working with the kids and helping to build a successful basketball program. You can catch some of the youth teams in action again during the halftimes of our varsity games. Thanks again!

SILVER CORD: We will have large shipments of food for the HLV food bank coming in soon. We need students to help unload, sort and shelve food items. Silver Cord hours are available. See Mr. Lahndorf ASAP if you would like to help.

The competition begins on Monday, November 19th and will end on Tuesday, November 20th. All food will stay at school and will be donated to the HLV Food Bank located here! Let's fill our new HLV Food Bank opening soon for our community and make a difference in someone's life.

Success Center students - anyone who would like to serve on a decorating committee where you will create door decorations for a teacher please let your success center teacher know and email Mrs. Robison your name.

**FUN FACT: Halley's Comet transverses the Earth's skies every 75 years. Mark Twain just so happened to be born following Halley's comet, and in 1909 he predicted that he would go with Halley's comet the next year. Just as Mark Twain predicted, he passed the night after the comet lit up the sky at the age of 75. It was the second death he predicted, the first being his brother's.**
