**To: HLV Taxpayers in Poweshiek County**

**From: HLV School Board**

**Poweshiek Urban Renewal Plan**-The Poweshiek County Supervisors plan to approve an Urban Renewal Plan. The plan has a TIF(Tax Increment Financing) on the new windmills. They will hold a hearing on April 9<sup>th</sup> at 9:00 and plan to approve the Urban Renewal Plan following the hearing. Currently our school district has no TIF in our district. If the Urban renewal plan is approved and when Phase 1(25 windmills) is fully implemented, our percent of TIF valuation would be around the 54<sup>th</sup> highest in the state at around 8.% of our valuation in TIF. When all of the windmills are constructed(75-100) and fully taxed, our district would have either the 6<sup>th</sup> highest or 4<sup>th</sup> highest of TIF% in the state-depending on how many windmills are constructed in our district.

What does this mean for our levy rate? When the 25 windmills are fully taxed our levy rate could be .47 lower if the Supervisors do not approve the plan and the school was able to capture the newly added valuation of the windmills.

If you would like a copy of the plan or the financial information that is provided above, feel free to stop in the High School Office.
